

# Inclement Weather Cancellations

We are all too aware that weather in our area can be unpredictable. Tau Center will attempt to make program cancellation decisions no later than 10:00am on the given day of an evening program, and 6:00pm the evening before for a morning program.

- We will send an email cancellation notice out to all registered participants should a program be cancelled due to inclement weather. In addition, a voice message will be recorded on the Tau Center main information line at 630-909-6805.
- You can also visit our Current Programs to see if we have marked a specific program “CANCELLED”.
- In the event of a cancellation, please refer to the refund policy.

The safety of our program participants and staff is a priority for Tau Center during inclement weather decisions. So, we thank you for your patience and understanding at these times.
